

Purpose: You look for weaknesses in the group's explanation or model.

- Asks: "Does it always work this way (the explanation)?"
- Asks: "How does our idea match up with what we've just learned?"

Purpose: You look for weaknesses in the group's explanation or model.

- Asks: "Does it always work this way (the explanation)?"
- Asks: "How does our idea match up with what we've just learned?"

Purpose: You look for weaknesses in the group's explanation or model.

- Asks: "Does it **always** work this way (the explanation)?"
- Asks: "How does our idea match up with what we've just learned?"

Purpose: You look for weaknesses in the group's explanation or model.

- Asks: "Does it **always** work this way (the explanation)?"
- Asks: "How does our idea match up with what we've just learned?"

The Questioner

Purpose:

Ask probing questions during the activity.
Listen for questions posed by group members and then re-voice the questions, so every question is heard by the group.

- Asks: "Do our ideas help us answer our question?"
- Asks: "Does our data support our ideas?"
